THANK YOU FOR HELPING TO PRESERVE "AMERICA'S COURSE"

Often we read about incredible people in history and wonder how they were able to achieve what they did during difficult times. Bill Powell is one of those incredible people that has earned a place of distinction in American history and that is the reason he is the 2009 recipient of the PGA Distinguished Service Award.

We are now able to be a part of the history of Bill Powell and what he has created with Clearview Golf Club. Not only are you able to be a part of the history but also making sure that the Clearview Legacy will continue long into the future through your generous support of the Clearview Legacy Foundation (a 501c3 tax exempt charitable foundation) by taking the *Legacy Challenge*.

In case you are also interested in various naming opportunities, we will be glad to discuss that with you. We certainly welcome your desire to add your support to a significant part of American golf history.

Thank you
